

A Concise Sermon on the Mount

The down will be up.
You are supposed to be effective.
You are supposed to be noticed.
Don't do it to be noticed.
Perfection= inside and out the same.
Make peace.
Get rid of whatever traps you.
Give without limits.
Tell the truth – all the time.
Love without Limits.
Pray – simply and often.
Forgive.
Trust – it is the anxiety killer.
Don't judge-It makes you look stupid and hypocritical.
Ask persistently.
Treat People right.
This is simple but not easy.
You may have to do it alone.
Don't be fooled by imposters.
Act on what you know.
It is a foundation that will not fail.
